

# Holy Trinity Cathedral Church School

## 2017 Lenten Collection for IOCC

The church school children will be collecting donations to benefit International Orthodox Christian Charities during Great Lent.

The children will share a different aspect of the mission of IOCC each week:

March 12

**Food**

March 19

**Health**

March 26

**Education**

April 2

**Economic Development**

**Donating food** to certain countries can help them in several ways. Many countries where the IOCC works have problems with health and education. If we donate food, citizens of countries like Romania, Greece, and Georgia will have the nutrients they need. This will reduce the risk of health problems having to do with access of food. Also, it helps develop healthy lifestyles in young children. If they grow up in an environment where food is nutritious and easily accessible, they will probably keep in mind all the benefits they got from that. We can play a big part in this if we help provide food for these countries. It can do more than anyone thinks.
